

PUBLIC HEARING NOTICE CITY OF WILLAMINA

PROPOSED WATER & SEWER RATE INCREASES

The Willamina City Council will hold a public hearing on June 13, 2013, at 7:15 pm, at the Willamina City Hall, 411 NE C Street in Willamina. The purpose of the hearing is to obtain citizen comments on a proposed 5% increase in water rates and a 3% increase in sewer rates which would become effective with the June 16-July 15, 2013, billing cycle. The proposal would increase the base rate for water for a residential customer by \$1.80 per month and sewer by \$1.60 per month for a total increase of \$3.40. Base rates for eligible seniors would increase by \$1.50 per month for water and \$1.40 for sewer for a total increase of \$2.90. These rate increases are necessary to meet the operating costs of these utilities and to make required payments on outstanding loans for previous system improvements. Interested persons are encouraged to attend the meeting. Copies of the proposed rate schedule are available at City Hall during normal business hours of 8:00 am to 5:00 pm, weekdays (closed Wednesday). Written comments must be received at City Hall by 5:00 pm local time on Thursday, June 13, 2013.
