

WILLAMINA COMMUNITY ASSISTANCE FUND APPLICATION Willamina Money Project – “Willabucks”

The goal of the Willamina Community Assistance Fund is to assist our community members and our local businesses who have suffered economic hardship during these difficult times.

A group of volunteers and the City joined together to create the Willamina Money Project. This project provides \$100 in “Willabucks” per household, on a first come, first served basis, until funds run out. These funds and this assistance are available to those who reside within the boundaries of the City of Willamina who have been adversely impacted by the COVID19 pandemic.

Willabucks have no actual cash value, are not legal tender, and no change will be given. Willabucks can be used for purchases from those businesses listed below and can be used for anything except alcohol, beer/wine/cider, tobacco products, or lottery games/tickets. Willabucks expire at midnight on September 30, 2020 and will not be accepted for purchases by participating businesses after that date.
